

The Growit Network

VENDOR INFORMATION

Update company information

Go to www.growit.com

Select **Edit/Update** from the Main Menu Sidebar

Choose **Edit and update your company information**

Enter password and username exactly as given to you - They are **case sensitive**.

USERNAME Hithere

PASSWORD pot4323

The company profile will be displayed and can be edited as needed. Click on **'update record'** so the record will be saved. The changes are entered to the main database.

No password and username ?

Please call Customer Service at 877-247-6948.

Do not use the password Request Form.

View and edit hardline & service offerings

Go to www.growit.com

Select **Edit/Update** from the Main Menu Sidebar

Enter password and username exactly as given to you - They are case sensitive.

USERNAME ItsMe

PASSWORD pots4323

You will have these choices:

- Edit and update your product listings - Choose this to add products and services. Expand each category to view selections. Save after each group or save all at the end of your session.
- Display your hardline service listings - This will show your selections. You can then add more or delete any you added incorrectly.
